

AIIMS Bhubaneswar has set up a Rashtriya Bal Swasthya Karyakram (RBSK) cell with support of RBSK Odisha. This is a collaborative effort between both AIIMS and NHM, Health and FW Dept, Govt of Odisha to benefit large number of children suffering from birth defects, disabilities etc. identified under the provisions of RBSK. These services are starting with effect from 14<sup>th</sup> November 2017 and will be provided free of cost to the children. The expenditure will be met by RBSK Odisha and National RBSK Programme. . The RBSK cell is situated on 1<sup>st</sup> floor in OPD (Ophthalmology section) and children will be seen through referral mechanism under the co-ordinated action of various District Early Intervention Centres (DEIC) throughout the state of Odisha.
