

COLLEGE OF NURSING AIIMS, Bhubaneswar

Report on school Health Program on World Cancer Day Awareness

The 4th year BSc nursing and MSc Nursing students of the College of Nursing AIIMS Bhubaneswar took a proactive approach to observe World Cancer Day on February 5, 2024, on cervical cancer awareness. This initiative aimed to educate students on the importance of understanding cervical cancer, its causes, and the significance of early detection, preventive measures and the overall impact in global health concerns. The program was made successful with the presence of the Principal of Mendhasal High School, Mrs. Ratnamanjari Biswal; the Principal of CON, AIIMS Bhubaneswar, Dr. Asha P Shetty; Assistant Professor Mrs. Shyama Devi; Tutors of CON, Mrs. Rekha Parida and Mrs. Itishree Biswal. The program started with a welcome speech by Mrs. Ratnamanjari Biswal and Dr Asha P Shetty. The students organized a skit on cervical cancer awareness followed by the health education on preventive measures for cervical cancer and thereby clearing their doubts. The program successfully ended with a vote of thanks to all the students, faculty and guests.
