AIIMS/BBS/Dean/Student/5/

Dear Students / प्रिय छात्रों,

We are receiving many requests from students or their parents whether they can return to the Institution now to continue their studies. Hence, we are informing you all not to return at the present time as the Classes for all the undergraduate courses continue to be suspended, due to the ongoing COVID-19 Pandemic. As and when the Government directives are received, and we decide to start classes we will inform you to re-join, giving you adequate time to plan your travel. If any student who has left the hostel returns before we issue such directives permitting students to come back, he/she will not be permitted to stay in the hostel.

Our faculty are conducting online classes and tests and we hope you are all participating and studying to keep up with the course as much as possible.

Please stay safe and follow the requisite social distancing norms and other hygiene measures including the use of Aarogya Setu App to keep yourself and others protected as far as possible.

During this Lockdown period, we are trying our best to cover the theoretical aspects of your syllabus. We have also received feedback from you that, since the commencement of the lockdown, you all have been receiving Power Point presentations from the faculty of all the Departments.

You have also expressed your heartfelt thanks for all the constant efforts that are taken for the betterment of your academics by the Institute. Any further feedback/suggestion may be given to help us help you.

For latest updates, all are advised to visit our Institute website regularly.

Wishing you all the best

बि.बि. मिश्र
