EXECUTIVE DIRECTOR

CHAIRMAN

Sl. No	Present System	The change proposed for MBBS students
1	The final/summative examination is taken by 4 internal examiners	<b>As per AIIMS New Delhi examination for MBBS students;</b> there should be 2 external examiners and upto 3 internal examiners for over 100 students (2 external examiners and 2 internal examiners for less than 100 students. The head of the department will be the Chairman irrespective of whether he/she is an internal examiner. If Chairman is an internal examiner the number of internal examiners shall remain the same. If HoD is not the internal examiner, he/she will be the Chairman.
2	The eligibility criteria to appear for final examination is decided by both internal marks and attendance. (ref. pg. no. 06 & 07 in curriculum 2017-18)  i) <b>75% attendance</b> in each subject ii) <b>50% of internal assessment marks</b> in theory and practical separately.	i) <b>75% attendance</b> as earlier may be retained. ii) <b>40% of internal assessment marks</b> in each subject in theory and practical separately.
3	i) Internal examination marks are used <b>only</b> for deciding eligibility to appear for final examination. ii) <b>Marks from internal assessment will not be carried to into professional examinations.</b> (ref. pg. no. 07 in curriculum 2017-18)	i) <b>Internal assessment marks</b> shall be added to the summative of both in Theory & Practical separately. ii) Students should secure the prescribed marks separately <b>i.e 40% in Internal and Professional</b> exams and also in Theory and Practical separately. iii) 50% of the weightage in the Internal i.e; Theory & Practical will be carried out to the marks of Professional summative calculation.
4	Eligibility criteria to appear Compartmental Exam (only for 4 <sup>th</sup> Professional MBBS) Students failing in only one subject in Final Exams.	Students failing in only one subject in Final Exams will be allowed to appear in the compartmental examination.
5	Eligibility criteria to appear Supplementary Exam.	i) Same as proposed in point 2. ii) Weightage of Internal & Professional marks is <b>25% and 75%</b> respectively for summative calculation.
6	Punishment for malpractice is debarred to appear for the subject for 1 year/till next	Will be debarred from that exam and the next <b>subsequent examination</b> of that particular subject.

	annual supplementary exam whichever is earlier.	
7	Eligibility criteria for Examiners & rotation among eligible Internal Examiners except the HoD for every academic year as per new curriculum 2017-2018.	HODs may be the internal examiner. But, when he is not the internal examiner, then he will be the Chairman.  Guidelines for conducting Practical for PG examinations shall also be implemented in UG examinations.
<b>MD/MS/MDS/DM/MCh</b>		
<b>Sl. No</b>	<b>Present System</b>	<b>The change proposed</b>
1	The student has to secure 50% marks in the internal examination to be eligible to appear for the final examination	The student has to secure 50% marks in the internal examination in theory and practical separately to be eligible to appear for the final examination
2	Eligibility criteria for Examiners and rotation of Internal Examiners for every academic year.	There will be a rotation of internal examiners for every academic year. HODs may be the internal examiner. But, when he is not the internal examiner, then he will be the Chairman.
<b>B. Sc Nursing</b>		
1.	Student who fails in up to two papers, shall be admitted provisionally in the next year but he/she has to clear those papers in the next two subsequent examinations. If any student who could not pass inspite of being given <b>03 chances</b> , including regular chance shall be declared as failed and has to appear in all subjects of that year in the subsequent annual exam (Ref. pg. no. 09 in Curriculum).	Students who fail in the final examination (irrespective of the number of papers) will appear in the immediate supplementary exam in the failed subject/(s) and shall be admitted provisionally in the next year but he/she has to clear those papers in the next subsequent examinations (3 <sup>rd</sup> chance).  If any student could not pass in spite of being given 03 chances, including regular chance shall be declared as failed and has to appear in all subjects of that year in the subsequent annual exam.
<b>M.Sc Nursing</b>		
	<b>Present System</b>	<b>The change proposed</b>

EXECUTIVE DIRECTOR

CHAIRMAN

1.	Student is required to write a dissertation in his/her speciality and shall submit a dissertation, before the final examination for evaluation.	The student is required to submit a final thesis and should be made eligible for the final examination only after his/her thesis is approved by the authorised evaluator.
