## Forward

*Mr. PK Ray  
Deputy Director (Admin)  
AIIMS, Bhubaneswar*

*It is indeed a very happy moment to forward this Telephone Directory for internal circulation. The main objective of compiling this Directory is to make available all telephone number especially the intercom Numbers in documentation form, so that we can use the intercom for our day-today communication. The communication system which sometimes become very difficult in Hospital due to poor mobile network connectivity will now improve through use of intercoms. Although, every effort has been made to reduce discrepancies and mistakes, but there may be some un-intentional errors in this Telephone Directory which will be rectified in next edition. Hope all our faculty members and staffs will bear any such un-intentional errors. All concerned are requested to point out any such discrepancies or errors or any suggestions to enable us to rectify the same in future printing.*

*Many of our officers have put a lot of hard work to compile this Directory for which it is now getting circulated. Shri Tapan Kumar Behera, Store Keeper Gr-I has put a commendable effort, Shri Ravi Kumar Sah, JAO and JE (Elect) and officers from Hospital Administration also have put a lot of hard work for this compilation whom I convey my sincere thanks.*

*The Director has always emphasized to compile a Telephone Directory and always encouraged our team to come out with this Directory. Dean, MS, IA, SE, Registrar, Sr. AO and others have also helped in various ways for this compilation. I take this opportunity to convey my earnest thanks to all for taking out this Directory.*

*Regards,  
Yours Sincerely,  
PK Ray*
