I. INTRODUCTION

An Act of Parliament in 1956 (Amendment Act-2012) established the All India Institute of Medical Sciences (AIIMS), Bhubaneswar as an autonomous Institution of national importance and defined its objectives and functions. As per section 23 & 24, the Institute has power to grant Medical, Dental or Nursing Degrees, Diplomas, and other Academic distinctions and title under this Act. The degrees granted by the Institute under the All India Institute of Medical Sciences Act are recognized qualifications for the Indian Medical Council Act 1956, the Dentist Act 1948, and the Indian Nursing Council Act 1947.

II. AIMS AND OBJECTIVES:

In the field of postgraduate and post-doctoral education, the most essential function of the Institute is to provide opportunities to train teachers for medical colleges in the country in an atmosphere of research and development. Postgraduate and post-doctoral students are exposed to newer methods of teaching and given opportunities to actively participate in teaching exercises. The other important objectives of the Institute are to bring together educational facilities of the highest order in one place for the training of personnel in all the important branches of health activity and to attain self-sufficiency in postgraduate medical education. The educational principles and practices being adopted are best suited to the needs of the nation.
