Legend

Important notes

The authors and Erbe Elektromedizin GmbH have taken the greatest possible care while compiling the catalogue with electrosurgical accessories. Nevertheless, it is impossible to exclude the possibility that errors may be contained herein.

The information and recommendations given here may not be construed as constituting any basis for any claims against Erbe Elektromedizin GmbH. Should legal regulations stipulate liability, such liability shall be limited to intentional misconduct or gross negligence.

The data on the use of instruments is based on clinical experience. Medical science is subject to a process of permanent change based on research and clinical experience. Therefore the products are subject to alterations in design and technique. Because of production tolerances dimensions in the catalogue may marginally differ.

We confirm that none of our products contain latex, except the rubber straps, Art. No. 20592-009 and 20592-011.

NESSY® Guarantee

Positive experiences with safe and incident-free application of millions of ERBE NESSY® patient plates enable us to give the following guarantee to users of ERBE NESSY® split patient plates:

Erbe Elektromedizin GmbH hereby indemnifies all surgeons and surgical staff, who have been instructed by Erbe employees or by Erbe authorized persons, as well as their employers, and will pay compensation for any statutory liability claims which may arise as a result of electrosurgical burns under the Erbe NESSY® split patient plate, insofar as the claims are not covered by the liability insurance of the user concerned.

This guarantee is applicable for any surgical procedure in which a properly functioning electrosurgical generator (listed in the Appendix to the Declaration of Conformity of Erbe patient plates) equipped with an intact monitoring system for split patient plates is used.

This guarantee is only valid if Erbe NESSY® split patient plates No. 20193-070, -071, -074, -075, -077, -078, -082, -083, -084, -085 are applied and, where necessary, only the appropriate reusable connecting cables No. 20194-016, -017, -046, -057, -058, -061, -063, -065, -072, -074, -077, -078, -080, -081, -083, -087, -201, -202, -205, -206 are used.

In addition to the aforementioned conditions, the regulations as stated in the instruction and service manuals regarding electrosurgical generators and their accessories must be strictly adhered to.

This guarantee only applies on condition that Erbe and the liability insurance provider are notified of such a damage event within the valid notification period for such a corresponding occurrence in the country involved and are given the opportunity to examine all relevant items pertaining to the submitted claims in detail.

This guarantee will remain valid as long as the Erbe NESSY® split patient plates are used under the aforesaid conditions.
