Proprietary Certificate

Dear Madam / Sir,

We, Eppendorf AG, Hamburg, Germany, who are a proven and reputable manufacturer of Laboratory Equipment, having factories in Germany, the United Kingdom and the United States of America, do confirm that the Eppendorf Centrifuge 5804 R has the following proprietary features:

- Eco shut-off technology reduces energy consumption and extend compressor life
- Dynamic compressor control (DCC) technology for optimized cooling performance
- Built-in condensation drain to eliminate water accumulation

For the avoidance of doubt, the liability under this declaration is limited to the product itself. To the best of our knowledge, there is no instrument available in the market with identical specifications.

Yours faithfully,
Eppendorf AG
