**Executive Engineer (I/C) Electrical
AIIMS, Bhubaneswar**

Purpose of the EOI

The proposed CCTV network is intended to improve the security surveillance of AIIMS Bhubaneswar, i.e. Entire hospital Complex, Academic, Administration and Residential complex, Nursing college buildings etc. with the IP based CCTV surveillance facility.

The surveillance network will be augmented in phases with the addition of new places which are required to be under surveillance. Currently there are about 230 Nos. of CCTV cameras installed in different areas of the campus, the existing cameras are to be integrated with the new proposed CCTV surveillance system.

The proposed system shall be based on non-proprietary open standard based integrated solution with network centric functional and management architecture. The bidders shortlisted through the EOI will assist in setting up an integrated security surveillance system which would involve the Survey, Design, Drawing and Preparation of BOQ & Tender Document for supply, installation, testing, commissioning and 24/7 operations/maintenance for 5-years of an effective and state-of-art IP-based integrated CCTV security and surveillance system in the campus. This system shall also integrate with surveillance systems of different brands with the objective of enhancing safety and security in the campus.

- The purpose of CCTV surveillance is to assist maintain Law & Order.
- It will assist the security in monitoring unwanted incidences or unacceptable activities within the coverage area of the AIIMS campus.
- Information obtained through video monitoring will be used exclusively for security, disciplinary and public policy enforcement and /or law enforcement purpose.
- Access to video monitoring footage and other data is limited only to defined staffs of AIIMS Bhubaneswar.
- Video monitoring of the campus will be conducted in a manner consistent with all existing policies.
- Monitoring of suspicious people, vehicles, objects etc. with respect to protecting life and property and maintaining law and order in the Campus.

Based on the evaluation of EOI received, interested parties found eligible by the competent Authority of AIIMS based on the Technical and financial selection criteria set out, will be shortlisted and work order would be issued.

the following areas of AIIMS BHUBANESWAR campus are to be covered under the IP CCTV surveillance system with the tentative number of cameras required:

Sl. No.	Areas to be brought under surveillance	Estimated number of cameras
1.	Hospital Building	

2.	Ayush Building.	350 No's APOX
3.	Academic & Admin Block	
4.	Nursing College	
5.	Residential Complex Including Director's Bungalow And Guest House	
6.	All External Entry/Exit Gates (For Automatic Number Plate Detection)	
7.	Parking area ,OPD flyover, Auditorium, New Admin Block, Security office Cum Police Out-post, Burn & Trauma Buildings etc.	
8.	Any Other Area Which Comes under AIIMS BHUBANESWAR Campus Purview etc.	

Scope of work

The bidder has to conduct a joint survey with the concerned user of AIIMS Bhubaneswar (i.e) the security department in the above-mentioned areas.

1. The Selected bidder will survey the premises and as per this EOI document, he will arrive with a detailed BOQ & TD of CCTV surveillance at entire AIIMS Campus. Further, all items/products/solutions required for a turnkey project should be suggested and included in the bill of materials. The estimate has to be made as per CPWD norms.
2. Submission of Technical specifications of all equipment's and solutions proposed is mandatory.
3. Preparation and submission of all CCTV Layout drawing, GFC drawing including all equipment.
4. The survey and the design will be tabulated and presented in the form of a Booklet (Hardcopy) with Softcopy.
5. Preparation and submission of detailed solution document and network architecture including but not limited to the following components:
 - civil/electrical installation like tower, housing for UPS, Encoders, switch, rack other onsite equipment details also have to submit in the BOQ including layout drawing.
 - The successful EOI bidder shall submit the final supervision & certification report after completion of whole project by the selected bidder through e-tendering.

The survey and would be based on the following requirements

IP CCTV Cameras having at least 4 MP or higher resolution and vandal resistant IP 65/IP 66/IP67/IP68 environmental protection. The cameras can be fixed (bullet/box/dome type), Automatic Number Plate Recording (ANPR) type depending on the site requirement in different locations of the Institute as listed in the next section. The range of operation and operating condition will depend on the site conditions to provide a clear image of Full HD quality even in very low ambient light condition. As per site requirement different varieties of cameras may be installed.

- a. Identifying the correct camera location, mounting arrangement, networking and power supply arrangement from the nearest designated ports at each location along with appropriate camera types as may be suitable for the site requirement.
- b. Provision of monitoring the cameras signals in the central control room.
- c. Video Management software for 24x7 monitoring and surveillance.
- d. The video management system shall have the capability to connect unlimited number of cameras, recording servers and clients to be connected to management server across multiple sites. The video management system shall include a distributed architecture allowing clients on the host system with the user rights to view video.
- e. Sources on Mobile app/Website from a remote location.
- f. Control room setup for a cluster of cameras with recording and monitoring in a distributed architecture for the total surveillance system.
- g. Video analytics: Audio Detection, Face Detection, Line Crossing, Intrusion Detection, Object Counting, Loitering Detection, Region Entrance, Region Exiting, Abandoned Object, Missing Object, Density Detection, Scene change detection, Color Cast Detection, Defocus detection and Motion detection, Tempering Alarm Detect camera is moved, partially obscured, severely defocused, covered or sprayed.
 - Recording the videos of all the cameras on 24x7 basis @HD or better for 60 days with option to increase the storage duration to 90days.
 - For storage of the videos, the solution should include the servers/storage with the help of Network Video Recorder (NVR) or Network Attached Storage (NAS)/ Encoders/Decoders/ Client work stations etc. to make a complete functional open IP based CCTV system.
 - Storage system will have distributed architecture with localized storage of videos along with the optional total storage facility at Centralized Control and Monitoring Centre. The clip will be flagged in VMS for retention beyond 30 days

to ensure that it does not get deleted from the system.

- Storage of video signals with adequate redundancy against the failure of critical components.
- The requirement mentioned in this EOI, BEING A TURN KEY BASIS PROJECT, calls for a complete working system and not components thereof. Therefore, the Bids must be complete solution with all equipment and required accessories along with necessary power systems including standard Uninterrupted Power Supply for the entire equipment, video connectors, patch connectors, patch leads, mounting, reinforcement (cable/wire) and fitting hardware, plugs, sockets and any hardware/software, etc. as required for complete installation & commissioning of the System under this contract.

For redundant power backup the Bidder shall provide adequate UPS with sufficient backup at all the locations as well as in the areas wherever it is required.

- The System should facilitate viewing of live and recorded images and controlling of all cameras by the authorized users simultaneously without any degrading in quality. System should provide database connectivity, reporting, and communication protocols.
- The feed from different locations should go to the Centralized Command and Control Room, where the number of viewing screens (Video Wall) will be installed, number of cameras to be simultaneously viewed on Video Wall.
- The project management of all the components of the entire system as per the terms and conditions of the EOI.
- The Bidder shall provide the poles/ towers, fixtures, fittings, and other items required for each location. All the fittings, wiring and cabling should be under ground or in casing and not left open except where the OFC is proposed to be laid over ground on electricity poles/towers. All the required permissions for Right of Way, electricity connection etc. shall be taken by the bidder. However, department will assist to get these permissions on time. Payment towards internet charges, electricity charges shall be made by AIIMS.
- Additional protection of outdoor cameras from harsh environmental conditions like continued heat, dust, and heavy shower.
- Surge Protection as well as lightning devices for cameras, racks, switches etc.

- h. Check the present status, quality and life of the existing camera installed in the project time at entire AIIMS campus. If the existing camera will be integrated to the new IP system that may be taken into consideration.

General information, Terms & Condition of EOI

To meet the desired objectives of a transparent EOI that ensures value for money simultaneously ensuring upgradation of technology & capacity building- it is prudent to invite a two-stage Expression of Interest (EOI) Bid and proceed to explore the market and to finalize specifications based on technical discussions/ presentations with the experienced manufacturers/ suppliers in a transparent manner. A notice inviting Expression of Interest has been published in newspapers and uploaded in AIIMS BHUBANESWAR website (www.aiimsubhubnaneswar.nic.in), as per standard practice of Government.

1. Two Stage Bidding -

The bids will be obtained in two stages –

Stage - I: Receipt of technical bids and evaluation.

Stage - II: Receipt of financial bids from the eligible bidders & evaluation to find out the lowest bidder.

- In the first stage of the bidding process, EOI bids containing the broad objectives, technical and financial eligibility criteria, terms and conditions of the proposed EOI etc. through advertised tenders containing the technical aspects and contractual terms and conditions of the proposed EOI without a bid price.
 - After evaluation of Technical Bid, the eligible bidders shall intimate through website and as well as bidders Email for give a presentation for 15 minutes. Bidder will be required to make a focused presentation on Implementation of IP based centralized CCTV system in organization like in a government organization (at Central government /State government/ PSU/ government Undertaking) and the company, expertise, experience in the relevant field, products with the proposed solution etc. During the presentation of one bidder, the other bidders shall not be allowed inside the presentation venue at hospital board room.
 - After evaluation of the eligibility criteria, as part of short listing exercise, shall inform to submit the financial bid through Email and AIIMS Bhubaneswar website.
- 2. Earnest Money Deposit:** The bidder shall be required to submit the Earnest Money Deposit (EMD) for an amount of **Rs. 25,000.00/- (Rupees Twenty-five Thousand only) by way of Demand Drafts only. The Demand Drafts must be attached with the Technical Bid along with EOI Fee (Rs. 2000/- non refundable) .** The EMD of the successful Bidder shall be returned after the successfully work done and for unsuccessful bidder(s) it would be returned after Award of the Contract. Bid(s) received without Demand Drafts of EMD will be rejected.

3. The Director, AIIMS, Bhubaneswar does not bind itself to accept the lowest or any other bid

and reserves to itself the authority to reject any or all the bids received without the assignment of any reason. All bids in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the bidder shall be summarily rejected.

4. Goods and Services Tax (GST).

- a. Bidders are required to submit copy of the GST Registration certificated while submitting the bids wherever GST (CGST & SGST/UTGST or IGST) is applicable.
- b. The Bidder is advised to comply all the GST norms as per rules. Accordingly, supplier/contractor/firm is to submit the original challan/voucher justifying that it has been actually and genuinely paid to the Govt. at the time of submission of bills to finance division for release of payment.

5. If the Bidder fails to proceed with the work within the stipulated time as specified from the date of issue of letter of intent/letter to proceed with the work, the AIIMS Authority shall forfeit the earnest money deposited by him along with the tender.
6. All the works to be carried out in accordance with latest CPWD/BIS Specifications and as per the directions of Engineer-in-charge.
7. **Payment terms:** 80% payment shall be made after submission of all documents by the bidder for e-tendering & rest 20% payment shall be release after the completion of the work (Supply, Installation, Testing & Commissioning Of Integrated IP Based CCTV Cameras with all Accessories For Security Surveillance System Of AIIMS Bhubaneswar) and submit the final supervision, Quality Control & certification report.
8. During the execution of the project work the successful EOI bidder shall supervise the work time to time and submit the work progress report to AIIMS authority.
9. **Inspection of Site :**The Agencies which are interested to submit EOI may visit AIIMS Bhubaneswar site on any working days from Monday to Saturday. The bidder may contact to **Mr. C.R.Rout [EE(I/C)Electrical, PH- 06742476500 or 9437429481 , Mr. C.K. Raju, Assistant Security officer& (Nodal officer-CCTV) PH- 9676549298 OR 0674-2476612** to facilitate Inspection.
10. AIIMS reserves the right to withdraw this EOI if it determines that such action is in the best interest of the organization without assigning any reason whatsoever.

- The Bidder(s) are required not to impose their own terms and conditions to the bid and if submitted, it will not be considered as forming part of their bids. The decision of AIIMS shall be final, conclusive and binding on the Bidder(s). the Conditional Bid or Bid with

deviations will be summarily rejected.

- Please note that if any document/authorization letter/testimonies are found fabricated / fake, the bid will be declared as disqualified and EMD will be forfeited. This may also lead to the black-listing of the bidder.
- All the required documents to establish the bidders eligibility criteria should be enclosed with the original seal EOI (Technical-Bid) itself. The EOI will be evaluated on the basis of the documents enclosed with the original seal EOI only. AIIMS will not enter into any correspondence with the bidder to get these certificates/ document subsequently. However it reserves its right to get them validated/verified at its own.
- A clause-by-clause compliance statement to all Sections of the EOI document is to be submitted in the Technical Bid, demonstrating substantial responsiveness. A bid without clause-by-clause compliance statement to all the sections of the EOI document including the Technical Specifications, Commercial Conditions, Special Conditions and the Annexures shall not be considered for evaluation and shall be summarily rejected.
- Neither the Bidder nor any of respondent's representatives shall have any claims whatsoever against AIIMS or any of its respective officials, agents, or employees arising out of or relating to this EOI or these procedures (other than those arising under a definitive service agreement with the respondent in accordance with the terms thereof).
- The Bidder should not be under a declaration of ineligibility for corrupt and fraudulent practices issued by Government of India or any State Governments or any PSU in the country of India. (To be furnished under Notarized Affidavit made at Bhubaneswar)
- The Bidder must not have any history of defaulting in execution of work orders issued by Government of India or any State Government or PSU in the country of India. A self-declaration certificate to this effect should be enclosed. (To be furnished under Notarized Affidavit made at Bhubaneswar)
- The bidder must not have been blacklisted by any Central/State Government institutions / undertaking and there must not be any pending litigation with any government department because of similar services. (To be furnished under Notarized Affidavit made at Bhubaneswar)
- No Criminal Proceedings in any Court of Law should pending against the bidding Firm Or its Promoters Or its Directors Or its Executives. (To be furnished under Notarized Affidavit made at Bhubaneswar)
- Due to any breach of any condition by the bidder, the Bid Security (EMD) submitted by the bidder may be forfeited at any stage whenever it is noticed and AIIMS will not pay any damage to the bidder or the concerned person. The bidder or/and the person will also be debarred for further participation in future EOI/Tenders.

11. The bid security of the unsuccessful bidder will be returned/ discharged within 15 days of the

opening of the Bids.

12. AIIMS shall not be responsible for any postal delay about non-receipt / non-delivery of the bid /documents. This EoI Document is absolutely not transferable.

13. EOI Rejection Criteria:

The EoI/Bid will be rejected in case any one or more of the following conditions are observed:

- a. Bids received without DD of EoI Document cost and EMD as per requirement.
- b. Incomplete or conditional EoI that does not fulfil all or any of the conditions as specified in this document.
- c. Inconsistencies in the information submitted.
- d. Misrepresentations in the bid proposal or any supporting documentation.
- e. Bid proposal received after the last date and time specified in this document.
- f. Bids found in unsealed cover, corrections in the bids.
- g. Unsigned bids, bids signed by unauthorized person (without a valid Power of Attorney).
