Sub. : Quotation for TSCD Wafers

Sir,

With reference to above, we would like to mention about Wafers to be used for Sterile Connecting Device (Model : TSCD-II) as below :

1. To keep the device working the wafers are needed without which welding is not possible.
2. Wafers are automatically replaced after each use and contamination is fully avoidable because each wafer is discarded after a single use.
3. In fact, Terumo's patented wafers heat up to 300°C(572°F) – i.e. the temperature which is high enough to maintain sterility during cutting & welding without allowing particulates or chemical residues to form in the tubes.

Now, the price of the wafers is being furnished as under:

Sl.No.	Product's Details	Price Per unit	Qty	Total Value	Packing
1.	TSCD Wafers (Make : TERUMO CORPORATION, Code : SC*W017)	150.00	Minimum one box =140nos	Rs.21,000.00	One box containing 140 pcs in two cassettes contains 70pcs single use wafers.

Notes:

1. The price mentioned above is exclusive of GST @ 18%.
2. The price is F.O.R. destination.
3. Supply : Through our authorized stockist – M/s. Health Ray Enterprises, K8-1174 Kalinga Nagar, Ghatikia, Bhubaneswar-751029, Khurda, Odisha.
4. Delivery : Within 4 weeks from the date of receipt of the order
5. Payment : Within 45 days from the date of receipt of the materials at your site.
6. **Our GeM Seller ID: 38EF180000091346.**

Thank you,
Yours faithfully,
For TERUMO PENPOL Limited
