FALL CLAUSE

The price charged for the stores supplied under the contract by the contractor shall in no event exceed the lowest price at which the contractor sells the stores or offer to sell stores of identical description in the current financial year including. The purchaser or any Department of Central Government or any Department of AIIMS, Bhubaneswar, as the case may be, during the currency of the contract. The lower price will be applicable to the supplies made after the date of coming into force of such reduction or sale or offer to sell at a reduced rate.

If at any time during the contract period, the Manufacturer/Distributor/Dealer reduces the sale price or sells or offers to sell such stores as are covered under the contract to any person/Organization, including the purchaser or any Department of the Central Government or any Department of AIIMS, Bhubaneswar Hospital/ PSUs, as the case may be, at a price lower than the price chargeable under the contract, the benefit of such price reduction would be passed on to AIIMS, Bhubaneswar by the Agency.

If any such price reduction for any of the approved stores comes to the notice of AIIMS Bhubaneswar, the Supplier Agency is liable to pass on the corresponding reduction of price to AIIMS, Bhubaneswar, and deposit such reduction price difference to AIIMS Bhubaneswar, for the stores supplied after the date of coming into force of such reduction or AIIMS Bhubaneswar will deduct such difference amount from the pending bills/ Performance Security Deposit to recover the loss to the Government.

The Contractor shall furnish the following certificate to the concerned Accounts Officer along with each bill for payment of supplies made against the contract.

"I/We certify that there has been no reduction in the sale price of the stores of description identical to the stores supplied to the Government under the contract herein, and such stores have not been offered/sold by me/us to any person/organization including the purchaser or any Department of Central Government or any Department of AIIMS, Bhubaneswar, as the case may be, up to the date of the bill, at a price lower than the price charged to the Government under the contract."

GeM Availability Report and Past Transaction Summary

GeM Availability Report and past transaction summary report is generated based on the specifications searched by the Buyer. The specification may be modified appropriately for searching relevant categories on GeM. Buyer may navigate to GeM category page by clicking on the category link to view category specifications and products/services available in the category.

Order Count and Order Value displayed is on a cumulative basis since GeM inception.

1. Search String: PERCUTANEOUSLY INSERTED CATHETER 2 FR

Search type: Product

1. There are categories available on GeM matching your requirements (as listed here). You can create a bid on GeM with a product closest matching your required specifications and add additional parameters in specifications through Corrigendum using RMS functionality.
2. If you feel that category TP needs updating you can submit category updating request also through RMS.
3. If you do not want to use any of the above option and want to proceed for procurement outside GeM, please suggest the specifications of the required product for creation of new category on GeM for future procurement.

Search Result: Category available/suggested on GeM but marked as "not matching requirements" by the buyer with undertaking as under:

It is certified that I have thoroughly checked all probable categories suggested by GeM and I am satisfied that the product required is not covered / does not fall in any of the suggested categories and can not be procured under any of these categories even after inclusion of List of Values(LOV) wherever possible in category specifications of suggested categories. It is also certified that the technical specification requirement are such that these can not be covered even by adding specification parameters using ATC in any of the GeM suggested categories. This is a one-time requirement hence new category creation is not proposed / or requirement is recurring but request for new category creation will be submitted separately post generation of GeMARPTS.
