

100th Delivery in AIIMS Bhubaneswar

The Department of Obstetrics and Gynaecology, AIIMS Bhubaneswar conducted its 100th delivery on 21/07/2015. This includes all types of deliveries like vaginal (normal), caesarean, ventouse (vacuum) and forceps deliveries for patients undergoing regular antenatal check-ups at the OPD and High Risk Pregnancy Clinic in AIIMS Bhubaneswar. The event was marked by cutting a cake and graced by the Director AIIMS Bhubaneswar and Medical Superintendent, along with collaborating departments of Paediatrics, Anaesthesiology and Transfusion Medicine.
