

An orientation programme was organized in College of Nursing for the faculty, PG, 3rd and 4th year BSc. (Hons.) Nursing students on EBSCO platform for data searching. It was held in the mini auditorium of the College of Nursing from 3-5 pm on 26/2/19. About 125 students and faculty attended the programme. A representative from EBSCO demonstrated the features and use of the platform and how it could be used extensively in our day to day clinical, research and learning needs. Dr. Asha P Shetty, Prof –Cum- Principal, College of Nursing, highlighted the need for efficient use of different resources available in the institution for betterment of student learning and thanked EBSCO for their elaborate demonstration.
