In association with
IAP Odisha Branch &
PHO Chapter of IAP

Dear Friends and Colleagues,

Greetings from the Organizing Committee of 5th Mid Term Pediatric Hematology and Oncology CME 2018!!

We are delighted to welcome you to our upcoming 5th Mid Term Pediatric Hematology and Oncology (PHO) CME 2018 to be held in Bhubaneswar on 30th June and 1st July 2018.

The Organizing Committee is working hard to put together an educational and scientific program at the CME. This is a forum for all to gather further knowledge and discuss issues. The conference would be attended by many international and National faculty who will share their knowledge and expertise in various fields of Pediatric Hematology and Oncology. This CME aims to bring together delegates and speakers including pediatric oncologists, medical oncologists, clinical hematologists, pediatric surgeons, pathologist, post graduate students, general practitioners and other professionals.

Bhubaneswar, known as the "Temple City", is a center of economic and religious importance in Eastern India. It plays an important role as a regional gateway to the "golden tourist triangle" of Puri, Konark, and Chilika Lake. The cultural heritage of Odisha beautifully comes out in handicrafts, amazing folklores and traditional songs and dances.

We hope you will join us for this educational and scientific feast.

Warm Regards,

Dr Sonali Mohapatra
Organizing Secretary,
PHO, Midterm CME 2018
